AN EXECUTIVE DIRECTOR'S GUIDE TO FINANCIAL LEADERSHIP

FINANCIAL LEADERSHIP IS GUIDING A NONPROFIT ORGANIZATION TO SUSTAINABILITY.

This 15-page guide is a summary of what we see as the eight key business principles that should guide financial leadership practice.

USD 26.95

Guide Includes:

1. Activate Your Annual Budget
2. Income Diversification . . . or Not
3. Make Cash Flow Your Priority
4. Don't Wish for Reserves—Plan Them
5. Rethink Restricted Funding
6. Staff Your Finance Function
7. Help Your Board to Help You
8. Manage the Right Risks

Reader Reviews:

As a senior finance consultant, I appreciate both the scope and content of this article. I have passed it on to several executive-level nonprofit leaders and managers at various agencies.
- Michael Henderson

Best article I've read in a very long time about financial strategy. Thank you!!!! Most helpful for the 500k non profit I oversee
- Nancy LaBelle

Excellent article! As a new ED at a small organization, I found it really helpful.
- Rozalyn Werner-Arc
